THE RIVERWALK DISTRICT

The Riverwalk District is located along the Truckee River in Downtown Reno, Nevada.

YOUR PARKING GUIDE TO THE RIVERWALK
In downtown Reno, you can't play if you can't park — so we've created this "insider's guide" to tell you about all the great (and sometimes hidden) parking spots around Reno's Riverwalk!

FREE VALIDATED PARKING
The Parking Gallery located on the corner of First St. and Sierra St. Available seven days a week. (Tickets can be validated at many of The Riverwalk businesses)

PUBLIC PARKING LOTS
• On Court St., between S. Virginia St. and Sierra St. Free after 5 p.m. weekdays and all day Saturday, Sunday and holidays.
• On Second St., between Stevenson St. and Arlington Ave. Available seven days a week.

METERED PARKING
Parking meters are enforced Monday through Saturday, 9 a.m. – 6 p.m., excluding holidays, however, each meter may have specific enforcement regulations. Please check posted signs carefully before leaving your vehicle.

PUBLIC TRANSPORTATION
Getting here is half the fun.

We encourage you to get here by plane, train, car, bike, on foot, or by the public transport of your choosing. The Riverwalk is served by RTC RIDE (our county-wide bus service), taxis, Uber, Lyft and hotel shuttles for guests of those properties. For more information, visit rtcwashoe.com or contact one of the cab companies listed below.

RENO HISTORIC

Tap into that pioneering spirit and explore some historical points of interest in the Riverwalk.

RIVERSIDE HOTEL

Widely considered Reno's birthplace, the site now occupied by the Riverside Hotel has offered some form of lodging for more than 150 years.

TWENTIETH CENTURY CLUB

The Twentieth Century Club building at 335 West First Street was erected in 1925 by Roush and Belz to serve Reno's first women's club.

HISTORIC RENO ARCH

The historic arch now located on Lake Street at the Truckee River is Reno's most recognizable symbol.

JACOB DAVIS'S TAILOR SHOP

Jacob Davis's tailor shop and residence. Jacob W. Davis and Levi Strauss & Company were issued patent #139121 for "Improvement in Fastening Pocket-Openings."

WINGFIELD HOUSE

Perched above Wingfield Park is the ghost of the home of George Wingfield (1876-1959), Nevada banker and miner.

FRISCH HOUSE

Gangsters. Murder. Mystery. Who would ever guess that a lovely but unassuming house, built in 1908 near downtown Reno, would be tied up with a sordid tale that remains one of Reno's most enduring intrigues?

LAKE MANSION

As you look at this impressive Italianate-style home, imagine the complication of moving its bulk--not once, but two separate times.
